

JUDICIAL ETHICS COMMITTEE REPORT

CAPCJ SPRING 2023

Since our last report there has been one meeting of the Committee.

That was held over Teams on February 28, 2023. This was a joint meeting with the members of the Judicial Advisory Council. Not all members could attend.

At that meeting we did a round table update to determine which of the provincial and or territorial Courts have adopted the Canadian Judicial Council Ethical Principles for Judges.

Since the last report we have welcomed Judge Nicole Angers as the CAPCJ liaison. We acknowledge and thank Judge Kymil Howard for her support.

Judge Jacques Nadeau has since served his term. We very much appreciate his wisdom and guidance and thank him for his service.

Judge Doug Kovatch is retiring and his service on our committee has come to an end. Again we thank him for his service.

Judge Kael McKenzie has joined representing Manitoba, Judge Julie Bourgeois representing Ontario as well as Judge Pierre Dupras representing Quebec. We welcome them to our committee.
